Why Join the 928 Owners Club?

Stan Shaw
President

Because 928s are special!

- ◆ The 928 OC is the only entity in North America completely focused on the support of 928 ownership
- ◆ Nowhere else do 928 owners get:
 - 928 events (social, touring, tech, show, etc.)
 - 928 regional clubs
 - 928 publications
 - 928 tech and maintenance info
 - 928 racing and other track activities

Because 928s are an endangered species

- ◆ The 928 OC is working to prevent further losses of 928 resources, as has already occurred with the first 928 Registry and most recently with 928S4vr.com
- ◆ We are rebuilding or providing a home for compendia of 928 information

Because 928s are unique

- ◆ The 928 OC is making sure that 928 owners have ongoing resources of support
- ◆ We fill in for what you can't get from:
 - Most Porsche® mechanics, whether dealer-affiliated or independent
 - Most parts houses
 - The “how to” car repair books

Because 928s need an aftermarket

- ◆ The 928 OC works with and represents the community of 928 owners to unify many voices into one in encouraging manufacturers to provide parts for 928s
- ◆ We can't afford to be any further marginalized, or it will become impossible to maintain and improve our cars

Because 928s are complex

- ◆ The 928 OC is working to develop and produce technical information on maintaining the 928
- ◆ We maintain:
 - Technical tips compendia
 - web forums on tech and maintenance
 - Historical and reference information

Because 928s can be fun

- ◆ The 928 OC supports 928 events, whether they be local gatherings or regional events
- ◆ Examples include:
 - Sponsorship of Frenzy VII
 - Sponsorship of Sharktoberfest
 - 928 OC International Convention
 - the BBQ and tech session at Tass' house

Because 928s deserve it

- ◆ The 928 OC supports awards for 928s that exemplify the best in various categories
 - Track success
 - Concours
 - Engineering
 - Longevity
 - ...and so forth

So join us!

- ◆ Over 800 owners of 928s belong to the 928 OC
- ◆ We've set up regions all across the US and Canada and are steadily adding more
- ◆ We've just elected a fresh slate of officers and trustees and are running at full bore
